## Claimant Report - Flying In High Performance Aircraft

This form is in connection with your claim for pension and medical treatment and the information you supply will assist in deciding eligibility for benefits under the Veterans' Entitlements Act 1986 and/or Military Rehabilitation and Compensation Act 2004. In the event of an appeal against a decision, this information may be provided to the Veterans' Review Board, Administrative Appeals Tribunal or Federal Court.

### *Veteran's Details*

**Surname**

**Given Names**

**DVA File Number**

### *Report Detail*

1. When were the symptoms or signs of (insert claimed condition) first noticed?

2. Is there a history of flying in high performance aircraft?

The Repatriation Medical Authority has defined high performance aircraft as "an aircraft capable of routinely sustaining a positive G force of four or more". This would include Spitfires, Hurricanes, F/A 18 Hornet, the Macchi (MB326H), F-111, Mirage and CT4. Those not considered "high performance" include Orion, Hercules, Caribou, helicopters and VIP aircraft..

- No** - Please sign the form overleaf and return it to the Department
- Yes** - Please provide details overleaf of flying in high performance aircraft

3. Details of flying in high performance aircraft:

Period	Type of aircraft	Number of hours flown in this period	Occupation	Duties and activities performed
