Report Detail

1. Is there a history, **at anytime** (service periods as well as non-service periods), of having been in an enclosed area or space at a time when asbestos materials were being applied, removed, dislodged, cut or drilled? (Asbestos fibres may be dislodged by vibration of, or direct damage to the asbestos product). An **enclosed area or space** can be, for example, the interior of a building, ship or aircraft, covered workshop or factory.

- No** - Please sign the form and return it to the Department
- Yes** - Please provide details of the exposure to respirable asbestos and, if it involved working with an asbestos product, indicate if this work was carried out personally or by someone else (*Please be as specific as possible*):

Dates	Place	Type of enclosed area	Details of asbestos work carried out	How often did this exposure occur and how long did each exposure last?
