Report Detail

A claim for service related compensation in respect of the abovenamed leads the Department to consider whether a trauma could be a factor in the development of intervertebral disc prolapse in this case. Would you please answer the following questions:

1. When was the clinical onset of {+SubstituteClaimedCondition,I}?/...../.....
2. Has the veteran suffered from a trauma to an intervertebral disc?
 - No** - Please sign the form and return it to the Department
 - Yes** - **When** did the trauma occur, and **which disc** was injured by this trauma?

/ /

3. How did the trauma to this disc occur? Did the trauma occur as a consequence of a medical or surgical condition? (E.g. a fall occurring as a result of a transient ischaemic attack) If so, what was the condition?
