Report Detail

A claim for service related compensation in respect of the abovenamed leads the Department to consider whether a specified spinal condition could be a factor in the development of the claimed condition in this case.

- Please indicate if the veteran has ever had any of the following spinal conditions:

Specified spinal condition	Date of onset	Part of spine affected	Diagnosis (if applicable)
Scoliosis			
Spondylolisthesis			
Retrospondylolisthesis			
A deformity of a vertebra			
A deformity of a joint of a vertebra			
Necrosis of bone			

If the veteran has not had any of the above conditions, please sign the form and return it to the Department.

2. Please indicate the specified spinal condition/s you have identified and provide an opinion about the underlying cause.

Identified spinal condition (diagnosis)	Underlying cause of the condition

In this case, the veteran has indicated that the claimed condition may have worsened at some stage.

3. Did the veteran's claimed condition permanently worsen? **Note:** For the purposes of the *Veterans' Entitlements Act* (1986), permanent worsening requires an increase in the gravity of the disease beyond its natural progression. It excludes temporary exacerbations or any deterioration that is part of the normal course of the disease.

- No
- Yes – Please provide full details, including date of worsening as described above.
